How should your practice be identified? (Company name or your own name):

Alejandro Rodriguez, Spiritual Companion

Summary:

Thank you for considering your trust in me to be your spiritual companion - whether this journey is just for a day or if it lasts many seasons. I consider it a sacred privilege to hold as much of your story as you care to share. I will do my best to listen without judgment, to honor wherever You are and whatever you are feeling, and to love unconditionally.

I don't claim to be an expert in anything you might be experiencing, but you have my commitment that we can explore it together. My goal is to notice where you might find greater wholeness and freedom, and to invite you to consider those opportunities. I believe that whatever progress we make together, will be guided by a hand more powerful than our own.

How will seekers meet with you?

In person, Virtually, Individually, Group

What is your fee?

My standard fee is \$50, but I will consider a sliding scale, if needed
