How should your practice be identified? (Company name or your own name):

Bonnie Weaver-Miller

Bio:

My heart is tender toward individuals who have been wounded by involvement with organized religion as well as those in the church who are sensing a desire to go deeper with God; those serving in ministry, both ordained and not ordained, as they navigate the needs of their own souls; those who identify as LGBTQIA+ as they open their hearts; and all who deeply desire to be heard and to know their true self. I am available for individual as well as group spiritual direction, and for facilitating contemplative prayer groups, contemplative book discussion groups, spiritual writing circles, and retreats.
