

Karen Buttles McGuire (she, her, hers)

I am:

A Spiritual Independent living in the world as an interspiritual Unitarian Universalist, finding inspiration from Buddhism, process theology, perennialism, reverence for Mother Earth, and more.

A lifelong seeker, listener, lover of connection, Mother Earth, and kindness.

A retired educator primarily creating environments that optimized the potential of students who were differently abled.

A current Interspiritual Companion.

A volunteer with The Spirituality Network- scheduling The Oasis, participating in the Interspiritual Contemplative Circle, and helping proof the newsletter *Awakenings*.

A graduate of the Wellstreams Program and also trained in mentoring and pastoral care.

A member of Spiritual Directors International and Spiritual Directors of Ohio, supervised and benefiting from spiritual direction.

Gratefully residing on the ancient lands of the Kaskaskia, Shawnee, Myaamia and Hopewell in Gahanna, Ohio with my partner.

Finding joy in our seven children, five grandchildren, two grand dogs, two grand cats, and our music business, as well as birding, traveling, genealogy, and photography.

Excited about being a member of The Spirituality Network Board, helping to create the Network's loving community.
