How should your practice be identified? (Company name or your own name):

Spiritual Direction, 'The Heavens were Opened'

Summary:

One of the many reasons I love visiting Vermont are the hidden streams and waterfalls tucked away into the Green Mountains. If you stop your car to explore, and listen for the sound of running water, you'll often find this sacred space is only a short distance away.

As a spiritual companion, I seek to create a warm and welcoming environment to connect with the Divine. And I'll put my experiences as a spiritual guide and pastor to work, to help you explore the streams of living water that are a lot closer than you think.

How will seekers meet with you?

In-person, Virtually, Individually

What is your fee?

\$50
